

Dear Student and Emergency Contacts,

We have been closely watching the expanding global disruption caused by the spread of COVID-19, and it is now clear that we are unable to offer this program in May as previously planned. With this rapidly evolving situation and updated travel advisories, we have decided to postpone all of the Summer 2020 GO Short programs with travel starting in May.

We are as disappointed about this situation as we are sure that many of you are - and we have made this difficult decision on the basis of what we feel is in the best interest of your personal health and wellbeing.

We will reverse any payments that you may have already made; SU aid will also be reversed. We will also remove the OFFP-Preparations for GO course from your schedule.

As completion of the GO program is part of your academic requirements here at Susquehanna, our primary goal is to keep you on track for graduation while maintaining your health and safety. **We are currently working on alternatives, given your anticipated December 2020 graduation, and will be in contact with you by May 1, 2020 about what those may be.**

We know you'll have many questions and concerns and we continue to be here to help you as we all respond to this unfortunate situation.

Best,

Scott Manning, Dean of Global Programs

Molly Roe, Director of Global Opportunities

Shane Sanders, Short-term Programs Coordinator
